Academic Achievements

- Achieved .1 Certificate in Drawing and Painting in CBSE 2017 exams.

Internship Experience

Other Projects

- Hospital Management System:** May 2022
In this project, a hospital management system was built using a client-server model. Every staff at the hospital has a login in system for data entry for example: A receptionist can take in appointments for doctors, and doctors can prescribe medicine and tests to be done on patient, whereas a person at medical store of hospital can generate bill through the system. The entire system was built using JavaFX for frontend, java for backend and MySQL was used for database management.

Technical Skills and Certifications

- Programming Languages : Java, Python, c, c++
- WEB Technologies : HTML, JS, CSS, currently learning ReactJS
- Database : MySQL, MongoDB

Positions of Responsibility

Extracurricular Activities

Social Activities:

Sport Activities:

- Secured First place in Kho Kho Men in **Spielmac'23**- the sports event organized by MCA department, NIT Trichy.

Cultural Activities:
